December 31, 2018

Management's Responsibility for the Financial Statements

The accompanying financial statements of the District of North Saanich (the "District") are the responsibility of the District's management and have been prepared in compliance with legislation, and in accordance with Canadian public sector accounting standards as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants Canada. A summary of the significant accounting policies are described in Note 1 to the financial statements. The preparation of financial statements necessarily involves the use of estimates based on management's judgement, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

The District's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the financial statements. These systems are monitored and evaluated by management.

The Mayor and Council meet with management and the external auditors to review the financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the financial statements.

The financial statements have been audited by BDO Canada LLP, independent external auditors appointed by the District. The accompanying Independent Auditor's Report outlines their responsibilities, the scope of their examination and their opinion on the District's financial statements.

Chief Administrative Officer

Director of Financial Services

Independent Auditor's Report

To the Mayor and Council of the District of North Saanich

Opinion

We have audited the financial statements of the District of North Saanich ("the District") which comprise the Statement of Financial Position as at December 31, 2018 and the Statements Operations, Changes in Net Financial Assets, and Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the District financial statements present fairly, in all material respects, the financial position of the District at December 31, 2018 and its results of operations, changes in net debt, and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally-accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the District in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any for of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the District's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the District, or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the District's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally-accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally-accepted auditing standards we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. But not for the purpose of expressing an opinion on the effectiveness of the District's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the District's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However future events or conditions may cause the District to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The accompanying notes are an integral part of these financial statements.

District of North Saanich

Notes to the Financial Statements

Year ended December 31, 2018

The District of North Saanich (the "District") is a municipality in the Province of British Columbia that was created on August 19, 1965 pursuant to the Local Government Act of British Columbia and Community Charter of British Columbia. The District provides municipal services such as police, fire, public works, planning, parks and recreation, library, and general government operations.

1. Significant accounting policies

The financial statements of the District are prepared by management in accordance with Canadian public sector accounting standards, as recommended by the Public Sector Accounting Board ("PSAB") of the Chartered Professional Accountants Canada. Significant accounting policies adopted by the District are as follows:

(a) Basis of presentation

The financial statements reflect the assets, liabilities, revenues and expenses of the District and its cost sharing arrangements.

The District participates in the cost sharing agreements with the Town of Sidney for RCMP police services, Library building maintenance and capital improvements, and the Shoal Senior Centre. Only the District's portion of these costs are recorded in the financial statements. Refer to Note 11 for additional details.

Interdepartmental and inter-fund transactions have been eliminated. The District does not administer any trust activities on behalf of external parties.

(b) Basis of accounting

The District follows the accrual method of accounting for revenues and expenses. Revenues are recognized in the year in which they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation a legal obligation to pay.

(c) Government transfers

Government transfers are recognized in the financial statements as revenues in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be made, except when and to the extent the transfer gives rise to an obligation that meets the definition of a liability. Transfers received for which expenses are not yet incurred are included in deferred revenue and will be recognized over the period the liability is settled.

(d) Deferred revenue

Deferred revenue includes grants, contributions and other amounts received from third parties pursuant to legislation, regulation and agreement which may only be used in certain programs, in the completion of specific work, or for the purchase of tangible capital assets. In addition, certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the period when the related expenses are incurred, services performed, or the tangible capital assets are acquired.

District of North Saanich

Notes to the Financial Statements

Year ended December 31, 2018

1. Significant accounting policies (continued)

(e) Taxation revenue

Taxation revenue is recorded at estimated amounts when it has been authorized and the taxable event occurs. Annual levies for non-optional municipal services and general administrative services are recorded as taxes for municipal services in the year they are levied. Taxes receivable are recognized, when they meet the definition of an asset, net of an allowance for anticipated uncollectable amounts. Levies imposed by other taxing authorities are not included as taxes for municipal purposes.

Through the British Columbia Assessments' appeal process, taxes may be adjusted by way of supplementary roll adjustments. The effects of these adjustments on taxes are recognized at the time they are awarded or can be reasonably estimated.

(f) Portfolio Investments

All other investments are recorded on an amortized cost basis. Investment premiums and discounts are amortized over the term of the respective investment, using the effective interest method. Investments are written down when there is, in the opinion of management, a permanent decline in value.

(g) Investment income

Investment income is reported as revenue in the period earned except when restricted in use by the funding government or related legal statute. In that event, the investment income earned is added to the deferred revenue balance.

(h) Debt

Debt is recorded net of principal repayments and actuarial earnings.

(i) Employee future benefits

The District and its employees make contributions to the Municipal Pension Plan and the Greater Victoria Labour Relations Association (GVLRA) Long-Term Disability Trust. As these are multi-employer plans, contributions are expensed as incurred.

Sick, personal, emergency, and family leave benefits and other retirement benefits are also available to the District's employees. The costs of these benefits are actuarially determined based on service and best estimates of retirement ages and expected future salary and wage increases. The obligation under this benefit plan is accrued based on projected benefits as the employees render services necessary to earn the future benefits. Long-term disability income benefits are disclosed according to the Greater Victoria Labour Relations Associations' policy.

District of North Saanich

Notes to the Financial Statements

Year ended December 31, 2018

1. Significant accounting policies (continued)

(j) Liability for contaminated sites

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. Liabilities are recorded net of any expected recoveries.

A liability for remediation of contaminated sites is recognized when all the following criteria are met:

- (i) an environmental standard exists;
- (ii) contamination exceeds the environmental standard;
- (iii) the District is directly responsible or accepts responsibility;
- (iv) it is expected that the future economic benefits will be given up; and
- (v) a reasonable estimate of the amount can be made.

The liability is recognized as management's estimate of the cost of remediation and post-remediation including operation, maintenance and monitoring that are an integral part of the remediation strategy for a contaminated site.

(k) Non-financial assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

(i) Tangible capital assets

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset.

The cost, less residual value, of the tangible capital assets, excluding land are amortized on a straight line basis over their estimated useful lives.

The District does not capitalize interest costs associated with the acquisition or construction of a tangible capital asset.

Estimated useful life for tangible capital assets is as follows:

District of North Saanich

Notes to the Financial Statements

Year ended December 31, 2018

1. Significant accounting policies (continued)

(k) Non-financial assets (continued)

(i) Tangible capital assets (continued)

Asset	Useful life range in years
Buildings	25 to 50
Land improvements	10 to 40
Vehicles, machinery, and equipment	5 to 25
Engineering Structures:	
Roads	10 to 75
Drainage	25 to 80
Water	20 to 80
Sewer	20 to 80
Other	10 to 80

Land has an infinite life and is not amortized. Work in progress is not amortized until the project is substantially completed and put into use.

Tangible capital assets are written down when conditions indicate that they no longer contribute to the District's ability to provide goods and services or when the value of the future economic benefits associated with the asset is less than the book value of the asset.

(ii) Contributions of tangible capital assets

Tangible capital assets received as contributions, including tangible capital assets in lieu of developer cost charges, are recorded as revenue at their estimated fair value at the date of receipt.

(iii) Natural resources

Natural resources that have not been purchased are not recognized as assets in the financial statements.

(iv) Works of art and cultural and historic assets

Works of art and cultural and historic assets are not recorded as assets in these financial statements.

(v) Leased tangible capital assets

Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as leased tangible capital assets. All other leases are accounted for as operating

District of North Saanich

Notes to the Financial Statements

Year ended December 31, 2018

1. Significant accounting policies (continued)

(k) Non-financial assets (continued)

(v) Leased tangible capital assets (continued)
leases and the related payments are charged to expenses as incurred.

(vi) Inventories of supplies

Inventories of supplies are recorded at the lower of cost and replacement cost.

(l) Deposits

Receipts restricted by third parties for future services or repayment are deferred as deposits and are refundable under certain circumstances. Deposits are recognized as revenue when qualifying expenditures are incurred.

(m) Allocation of expenses

Salary, wages and employee benefit expenses include the costs for District employees. The cost of certain finance personnel are allocated to the water and sewer utility segments based on an estimate of time spent on those segments.

(n) Use of estimates

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expensed during the period. Significant estimates include assumptions used in estimating historical cost and useful lives of tangible capital assets, estimating the fair value of contributed assets, estimating allocation of expenses, provisions for accrued liabilities and in performing actuarial valuations of employee future benefits, assessment of contaminated sites and provision for contingencies. Actual results could differ from these estimates.

2. Portfolio investments

The District's portfolio of investments consist of term deposits in credit unions. Term deposits in credit unions have varying maturity dates from March 2019 to November 2020 and have rates of return ranging from 2.10% to 3.30% (2017 - 1.45% to 2.45%).

	2018	2017
Term Deposits	\$ 21,799,050	\$ 21,324,121

District of North Saanich

Notes to the Financial Statements

Year ended December 31, 2018

3. Other accounts receivable

Other accounts receivable consists of the following:

	2018	2017
Utility fees and charges	\$ 1,127,930	\$ 1,175,071
BikeBC grant receivable	719,775	-
Other grants receivable	24,284	-
GST rebate	240,826	153,237
Trade accounts receivable	50,113	74,464
Fire protection - wildfire response	-	269,703
Insurance proceeds	-	150,000
Deferred property taxes due from the Province of BC	87,065	2,133
Miscellaneous	12,749	13,668
	\$ 2,262,742	\$ 1,838,276

4. Municipal Finance Authority debt reserve fund

Under borrowing arrangements with the Municipal Finance Authority ("MFA"), the District is required to lodge security by means of contingent demand notes and interest bearing cash deposits based on the amount of borrowing. As debt principal is retired, demand notes are released and the cash deposits are refunded.

As a condition of these borrowings, a portion of the debenture proceeds is withheld by the MFA as a debt reserve fund. These deposits are held by the MFA to act as security against the possibility of debt repayments default. If the debt is returned without default, the deposits are refunded to the District. At December 31, 2018, deposits of \$127,459 (2017 - \$205,320) are recorded as debt reserve deposits.

At December 31, 2018 there were contingent demand notes of \$255,076 (2017 - \$436,602) which are not included in the financial statements of the District.

District of North Saanich

Notes to the Financial Statements

Year ended December 31, 2018

5. Accounts payable and accrued liabilities

Accounts payable and accrued liabilities consist of the following:

	2018	2017
Trade accounts payable	\$ 1,407,801	\$ 899,652
Accrued liabilities	1,493,519	1,060,868
Grant in lieu payable	472,479	1,102,295
Accrued payroll liability	232,111	318,836
Contaminated sites liability (a)	100,000	100,000
	\$ 3,705,910	\$ 3,481,651

(a) A liability for contaminated sites has been recorded in the amount of \$100,000 (2017 - \$100,000). The existence of metals above the BC Contaminated Sites standards has been identified in the soil at Bazan Bay Park. The source of the contamination is a decommissioned sewage treatment plant clarifier tank on the property.

6. Deferred revenue

	2017	Contributions received	Recognized as revenue	2018
Amenity Fee Contributions	\$ 1,705,367	\$ -	\$ (158,840)	\$ 1,546,527

District of North Saanich

Notes to the Financial Statements

Year ended December 31, 2018

7. Employee future benefit liability

The District provides sick leave and certain other benefits to its employees in addition to contributions to the Municipal Pension Plan and the GVLRA. These amounts and other employee-related liabilities will require funding in future periods and are set out below:

	2018	2017
Accumulated sick leave	\$ 227,185	\$ 232,060
Retirement benefit payment	187,515	189,440
	\$ 414,700	\$ 421,500

Information about the District's benefit plan for sick leave, retirement benefits and family leave is as follows:

	2018	2017
Accrued benefit obligation - opening:		
Balance, beginning of year	\$ 462,300	\$ 405,200
Current service cost	48,400	42,500
Interest cost	14,000	14,000
Benefits paid	(78,300)	(65,900)
Past service cost	-	47,000
Actuarial loss	5,200	19,500
Accrued benefit obligation - closing	451,600	462,300
Unamortized net actuarial gain	(36,900)	(40,800)
Accrued employee future benefit liability	\$ 414,700	\$ 421,500

The significant actuarial assumptions adopted in measuring the District's accrued benefit obligations are as follows:

	2018	2017
Discount rates	3.30 %	2.90 %
Expected inflation rate	2.50 %	2.50 %

District of North Saanich

Notes to the Financial Statements

Year ended December 31, 2018

7. Employee future benefit liability (continued)

The expected average remaining service life is 10 years (2017 - 10 years). The expected wage and salary increases (including 2.50% inflation estimate) are 2.58% - 4.50% (2017 - 2.58% - 4.50%). The total expense recorded in the financial statements in respect of obligations under this plan amounts to \$71,500 (2017 - \$110,700).

Accumulated sick leave

Accumulated sick leave represents the liability for sick leave banks accumulated for possible draw down at future dates.

Retirement benefit payments

Retirement benefit payments represent the District's share of the cost to provide employees with various benefits upon retirement including lump sum retirement payments and death benefits.

The amount recorded for these benefits is based on a benefit actuarial valuation. The most recent valuation was as at December 31, 2017. The actuarial valuation and assumptions upon which it is based are reviewed on a periodic basis.

Municipal pension plan

The District and its employees contribute to the Municipal Pension Plan (plan), a jointly trustee pension plan. The board of trustees, representing plan members and employers, is responsible for administering the plan, including investment of assets and administration of benefits. The plan is a multi-employer contributory pension plan. Basic pension benefits are based on a formula. As at December 31, 2017, the plan had about 182,000 active members and approximately 75,000 retired members. Active members include approximately 36,000 contributors from local governments.

Every three years, an actuarial valuation is performed to assess the financial position of the plan and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plan. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plan. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent valuation for the Municipal Pension Plan as at December 31, 2015, indicated a \$2,224 million funding surplus for basic pension benefits on a going concern basis. As a result of the 2015 basic account actuarial valuation surplus and pursuant to the joint trustee agreement, \$1,927 million was transferred to the rate stabilization account and \$297 million of the surplus ensured the required contribution rates remained unchanged.

The District paid \$411,253 for employer contributions to the plan in fiscal 2018 (2017 - \$438,065) and District employees paid \$347,827 (2017 - \$348,919).

The next valuation will be as at December 31, 2018, with results available in fall 2019.

Employers participating in the plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plan records accrued liabilities and accrued assets for the plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the plan.

District of North Saanich

Notes to the Financial Statements

Year ended December 31, 2018

7. Employee future benefit liability (continued)

GVLRA/CUPE Long-Term Disability Trust

The Trust was established January 1, 1987 as a result of negotiations between the Greater Victoria Labour Relations Association representing a number of employers and the Canadian Union of Public Employees representing a number of CUPE locals. The Trust's sole purpose is to provide a long-term disability income benefit plan. Employers and employees each contribute equal amounts into the Trust. The total plan provision for approved and unreported claims was actuarially determined as of December 31, 2016. At December 31, 2016, the total plan provision for approved and unreported claims was \$18,937,267 with an accumulated surplus of \$392,313. The total plan provision for approved and unreported claims and net surplus or deficit at December 31, 2018 will be available later in 2019. The District paid \$57,526 (2017 - \$56,534) for employer contributions and District employees paid \$57,526 (2017 - \$56,534) for employee contributions to the plan in 2018.

District of North Saanich

Notes to the Financial Statements

Year ended December 31, 2018

8. Debt

	Interest rate	Year of maturity	Gross Debt	Repayments and actuarial earnings	Net debt 2018	Net debt 2017
MFA Issue #80	2.40%	2018	\$ 4,900,000	\$(4,900,000)	\$ -	\$ 395,339
MFA Issue #102	2.25%	2032	7,722,907	(2,509,160)	5,213,747	5,489,149
MFA Issue #127	3.30%	2029	1,680,000	(366,747)	1,313,253	1,410,402
			\$14,302,907	\$(7,775,907)	\$ 6,527,000	\$ 7,294,890

The District issues debt instruments through the MFA, pursuant to security issuing bylaws under authority of the Local Government Act, to finance certain capital expenditures. MFA invests the District's principal payments so that the payments plus the investment income earned on repayments (actuarial earnings), will equal the original outstanding debt amount at the end of the repayment period.

The loan agreements with the MFA provide that if, at any time, the scheduled payments provided for in the agreements are not sufficient to meet the MFA's obligations in respect of such borrowings, the resulting deficiency becomes a liability of the District.

Interest expense on long-term debt for 2018 was \$318,130 (2017 - \$528,971).

The aggregate amount of payments required on the District's debt during each of the next five years and thereafter is as follows:

	2018
2019	\$ 269,343
2020	269,343
2021	269,343
2022	269,343
2023	269,343
Thereafter	1,346,716
Future actuarial interest	3,833,569
	\$ 6,527,000

District of North Saanich

Notes to the Financial Statements

Year ended December 31, 2018

9. Tangible capital assets

Work in progress having a value of \$370,312 (2017 - \$65,148) has not been amortized as items are not yet in use.

There are no significant art nor historic treasures owned and held by the District. No tangible capital assets were written down in 2018 or 2017.

In 2017 \$9,403,461 of asset contributions were received related to various developments within the District. The fair market value of these assets is shown as revenue as well as tangible capital asset additions. This was comprised of land - \$4,057,410; land improvements - \$620,187; roads - \$2,684,209; drainage - \$1,091,935; water - \$519,670; and sewer - \$430,050. There were no such contributions in 2018.

District of North Saanich

	\$ 97,146,913	\$ 92,891,372

District of North Saanich

Notes to the Financial Statements

Year ended December 31, 2018

11. Contingencies and commitments

(a) RCMP

The District has entered into a five-year renewable agreement with the Town of Sidney, effective January 1, 2018, for the use of the RCMP facilities located in the Town of Sidney. This agreement requires that the District reimburse the Town of Sidney for a share of facility, equipment and staffing costs, based upon the ratio of staff assigned to the District and the total number of staff assigned to the detachment under the Policy Agreement. The annual estimated cost of this contract is \$430,000.

(b) Insurance

The District is a defendant in various lawsuits and historical circumstances may result in additional legal claims. The District records an accrual in respect of legal claims that are likely to be successful and for which a liability amount is reasonably determinable.

The District is self-insured through membership in the Municipal Insurance Association of British Columbia. Under this program, member municipalities are to share jointly for general liability claims against any member in excess of their deductible. Should the Association pay out claims in excess of premiums received, it is possible that the District, along with the other participants, would be required to contribute towards the deficit.

(c) CREST

The District is a shareholder and member of the Capital Regional Emergency Service Telecommunications (CREST) Incorporated, which provides centralized emergency communications and related public safety information services to municipalities, regional districts, the provincial and federal governments and their agencies, and emergency service organizations throughout the Greater Victoria region and the Gulf Islands. Members' obligations to share in funding ongoing operations and any additional costs relating to capital assets are to be contributed pursuant to a Members' Agreement.

(d) Regional District debt

Regional District debt is, under the provisions of the Local Government Act, a direct, joint and several liability of the Regional District and each member municipality within the Regional District, including the District.

(e) Fire Dispatch

In September 2018 the District entered into a five-year agreement for fire dispatch services. The estimated 2019 cost of this agreement is \$45,400.

(f) Shoal Centre

The District renewed a five-year cost sharing agreement with the Town of Sidney for the operating costs of the Seniors' Centre, located at the Shoal Centre, on January 1, 2018. The District's share of the 2019 operating costs is estimated to be \$21,300.

District of North Saanich

Notes to the Financial Statements

Year ended December 31, 2018

11. Contingencies and commitments (continued)

(g) Shaw agreements

In January 2017 the District entered into a five-year agreement with Shaw for SmartVoice telephone services. The 2019 estimated cost of this agreement is \$18,923.

In March 2018 the District entered into a five-year agreement with Shaw for Fibre Internet services. The 2019 estimated cost of this agreement is \$25,000.

(h) Software agreement

In October 2016 the District entered into a three-year agreement with ESRI Canada for GIS software. The 2019 estimated cost of this agreement is \$18,618.

12. Contractual rights

Certain developers are required to provide development contributions in order to build within the District. Contributions can include real assets, such as land dedicated for park use, or cash-in-lieu of real assets. Upon completion of the development, contributed assets are turned over to the District. Tangible capital assets received as contributions are recorded at their fair value as revenue. Cash contributions are recorded as revenue upon completion of the development.

The District will receive a cash contribution of \$100,000 in 2019.

13. Taxes available for municipal purposes

	Budget	2018	2017
Taxes collected for general municipal purposes:			
Property and business taxes	\$ 10,256,700	\$ 10,403,014	\$ 9,622,091
Grants in lieu of taxes	1,199,550	1,287,871	1,375,470
Water and sewer system parcel taxes	1,105,400	915,108	1,374,469
Total	12,561,650	12,605,993	12,372,030
Taxes collected on behalf of and paid to other governments:

District of North Saanich

Notes to the Financial Statements

Year ended December 31, 2018

14. Government transfers

The following government transfers have been included in revenues:

	Budget	2018	2017
Transfers			
Provincial	\$ 589,000	\$ 1,124,030	\$ 412,506
Federal	545,100	546,269	587,487
Regional and other	10,000	21,153	17,850
	\$ 1,144,100	\$ 1,691,452	\$ 1,017,843

15. Segmented information

The District is a diversified government organization that provides a wide range of services to its citizens as follows:

Protective Services - RCMP, Fire Department and Animal Control

The mandates of the RCMP and Fire Departments are to enforce laws, prevent crime and maintain peace, order and security by protecting life, property and the environment through the provision of emergency response thus, ensuring safe homes and community. The District cost shares with the Town of Sidney to provide policing services through the Royal Canadian Mounted Police (RCMP). District animal control services are provided under contract by the Capital Regional District.

Parks, Recreation and Cultural Services

The Parks division of the Infrastructure Services Department is responsible for providing and facilitating high quality parks and recreational facilities. The District cost shares with the Town of Sidney to provide access to recreation and cultural services through the Mary Winspear Centre and Shoal Centre located nearby in the Town of Sidney. The District is a member of the Vancouver Island Regional Library which provides access to information through the library facility located in the Town of Sidney.

General Government Services - Legislative; Corporate Services; Financial and Information Technology Services

The functions within General Government Services are responsible for adopting bylaws; adopting administrative policy; levying taxes; acquiring, disposing and managing District assets; ensuring effective financial and human resource management; monitoring performance and ensuring that high quality District service standards are met.

Transportation Services - Engineering and Public Works; Roads; Drainage

The Infrastructure Services Department is responsible for the delivery of municipal transportation and storm drainage systems and services and for approving subdivision plans.

Solid Waste Management and Environmental Services

The management of garbage pickup on municipal public property is the responsibility of the Infrastructure Services

District of North Saanich

Notes to the Financial Statements

Year ended December 31, 2018

Department. Council, through the establishment of Commission and Committees of the District, are provided with feedback and advice to assist in providing policy direction to protect and enhance rural, agricultural, heritage and environmental characteristics.

Planning and Community Services

The Planning and Community Services Department is responsible for preparing land use plans, bylaws and policies for sustainable development of the District; and conducting building inspections and bylaw enforcement.

Water Utility - Infrastructure Services, Utilities

The Utilities Division of the Infrastructure Services Department installs and maintains the water mains and pump stations and oversees the distribution of water purchased from the Capital Regional District.

Sewer Utility - Infrastructure Services, Utilities

The Utilities Division of the Infrastructure Services Department installs and maintains the sewer mains and pump stations of the District.

Statement of Segmented Information

The following statement provides additional information for the foregoing functions. The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements as disclosed in Note 1.
