Purpose of Blasting Work: _____

Estimated Value of Project: _____ Related Construction / Building Permit No.: _____

Pursuant to the regulations applicable to the District of North Saanich, I being the owner or acting with the consent of the owner, hereby make application to blast at the above site. I assume the responsibility of ensuring that all work covered by this permit is carried out in accordance with those regulations, whether such work is sublet, day labour or otherwise. Further, all work shall conform to all District of North Saanich By-Laws, WorkSafe BC and Federal regulations.

Date: _____ Blasting Contractor's signature: _____

For Office Use Only

THIS PERMIT IS VALID FOR _____ DAYS FROM DATE OF ISSUANCE

This permit does not free the holder from responsibility for any damage done while and due to blasting. The permit is subject, at any time, to cancellation for cause. If blasting operations are to be within the vicinity of a power line, telephone line or municipal services, the relevant authorities must be notified by applicant. Prior to or at any time during blasting operations, the District of North Saanich may require such evidence as may be deemed necessary to show that the blasting is not likely to cause damage or nuisance to any person or property.

Permit Conditions:

ALL RESIDENCES WITHIN A 100 METRE RADIUS OF THE BLASTING SITE MUST BE CONTACTED BEFORE BLASTING.
