3.2 The following are guidelines for the annual recruitment and appointment process:

- 1) Late October – Staff review committee memberships, including the Board of Variance, to determine which terms are due to expire the following January.
- 2) Early November – Staff advise members whose terms are due to expire at the end of the upcoming January and request that they indicate if they are interested in reapplying for the position.
- 3) Mid November – Staff publish an advertisement in the Peninsula News Review stipulating the committee positions which are available. All applicants are required to complete the appropriate application form.
- 4) November/December – Staff prepare a report providing Council with applicant information including copies of all application forms submitted and any accompanying documentation. Interviews to be conducted (10 minutes each) with all new applicants at an In Camera Council meeting. Incumbent interviews to be at Council’s discretion.
- 5) Early December – Committee/commission Chairs invited to an In Camera Council meeting to provide comments on incumbents who have reapplied to serve on their respective commission/board.
- 6) Late December – Council ratifies appointments to committees by secret ballot at an In Camera Council meeting and rises and reports on the appointments at a subsequent open meeting. Staff to provide a report to Council regarding the outcome of the voting and subsequently advise applicants accordingly.
