

DISTRICT OF NORTH SAANICH

COUNCIL POLICY

TITLE: HIGHWAYS – TRAFFIC CALMING / SPEED LIMIT REQUESTS	NO. COU-096
<p>1. When a request for traffic calming or adjustment to speed limits on a road under the jurisdiction of North Saanich is received, a 3 phase process will be used to address the issues:</p> <ul style="list-style-type: none">a) Staff will visit the area of concern and investigate the issues. If, in the opinion of the Municipal Engineer, there is a readily apparent and low cost solution available, Staff will implement itb) In cases where further investigation is warranted, staff will hire a consultant to install monitoring devices and confirm the existence and nature of any speeding problems. Any recommendations that are inexpensive and straight forward will be implemented by Staffc) In cases where the consultant has confirmed the existence of a speeding problem and traffic calming is the recommended alternative, Staff will obtain a cost estimate from the consultant for a traffic calming study and report to Council.
