

RE: NOTICE OF CONSTRUCTION:
2454 Tryon Road Subdivision Construction

Construction activities for the subdivision at 2454 Tryon Road will begin late June 2020 and will be completed by the developer. The work includes widening of Tryon Road, upgrading the water main, installation of new fire hydrants and development of a new beach access.

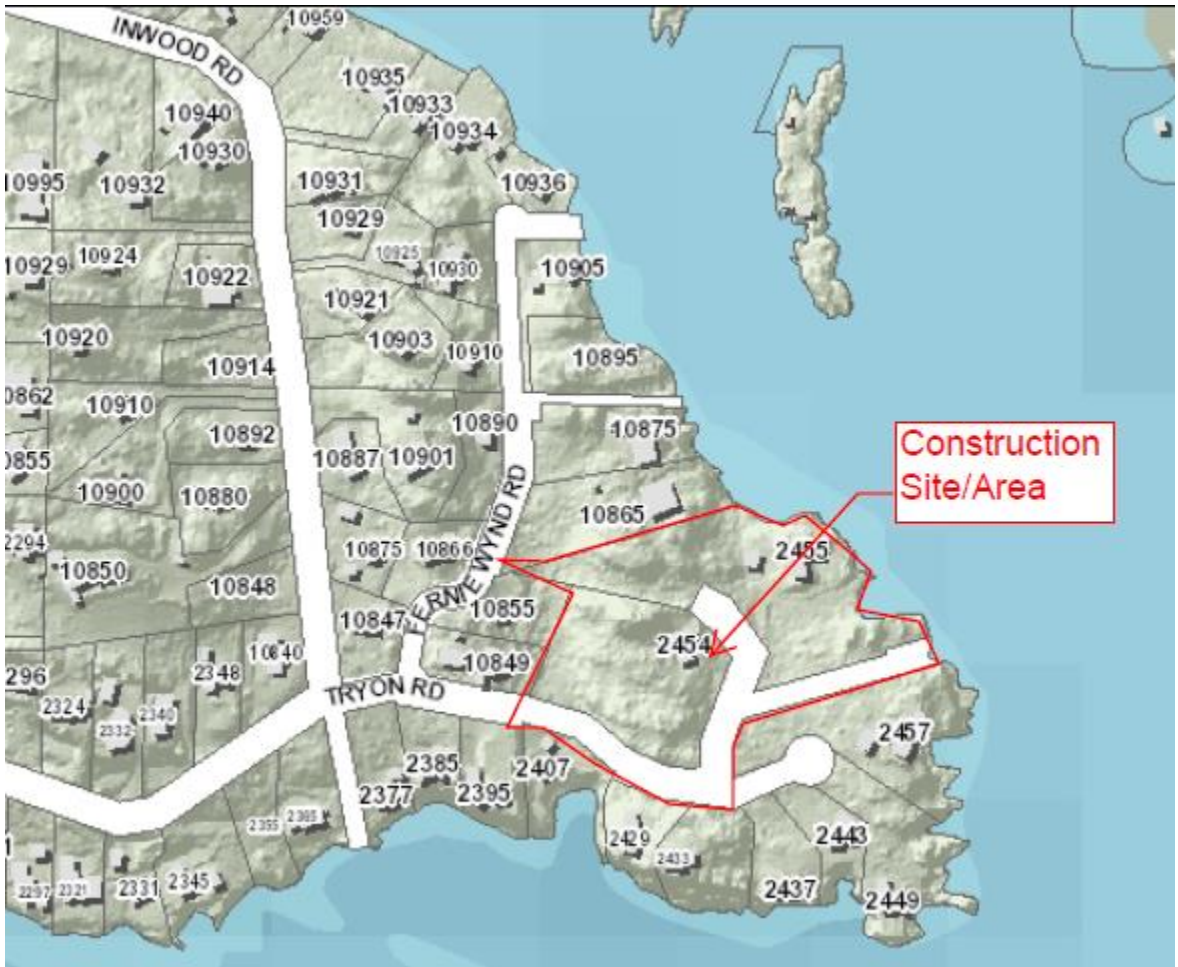

Construction is expected to begin on June 29, 2020 and to be completed over a period of approximately seven months.

Construction Hours: Monday to Friday between 7:00 AM and 7:00 PM

Project Related Information and Recommendations

- **Traffic Delays** – In order to safely and efficiently complete this subdivision, there will be some temporary lane restrictions in the area. The developer's contractor will make every effort to minimize any potential inconvenience and advance notice when possible.
- **Police and emergency** vehicle access will be maintained at all times.
- **Truck Traffic** – At times you will notice increased truck traffic in the construction area. Please be aware and use extra caution while driving.
- **Noise** – You may experience noise as a result of construction and blasting. Work will be scheduled in accordance with the District of North Saanich noise by-law.
- **Water Services** – There will be some disruption to water services at various times throughout the course of the project. Residents will be given a minimum of 24 hours prior written notice for any scheduled shutdowns or disruption to the water service
- **Dust and Mud** – Due to the nature of the work, there may be increased levels of dust and mud near the work site. The developer's contractor is required to manage these impacts.
