Mayor and Council Resolutions on the OCP Review Report - Phase 2 Engagement Summary and Emerging Concepts Report and Phase 3 Engagement Plan

That Council direct staff to amend the Phase 2 Engagement Summary report to include the following information and report back to Council at the earliest possible meeting in the fall after the final Stage 4 British Columbia Public Health Order date (anticipated to be September 7, 2021 at the earliest):

1. Summary of the May 19, 2021 Design Charrette mentimeter comments.
2. Summary of the June 2021 Big Concepts pop-up sessions including an estimate of the number of participants and the feedback received.
3. Summary of correspondence received during Phase 2 including the number of items and general themes.
4. Comment on how the summary information referenced in points 1-3 may or may not align with the other Phase 2 engagement feedback documented in the report.
5. Provide a more detailed rationale that clearly indicates how the Big Concepts emerged from the feedback received prior to and during the May 17-19, 2021 Design Charrette sessions.
6. Revise the Executive Summary to include more commentary related to: Phase 2 desired outcomes, Key Themes summary information, rationale for the Big Concepts, and an assessment of the effectiveness of the Phase 2 engagement activities.

That Council direct staff to report back to Council with the following information at the earliest possible meeting in the fall after the final Stage 4 British Columbia Public Health Order date (anticipated to be September 7, 2021 at the earliest):

1. An assessment of what the Project Team feels went well during Phase 2 engagement and whether there were any aspects of the engagement that could be improved upon as we look to establish both scope and schedule for Phase 3 engagement.
2. Provide commentary related to how the build-out capacity of the existing land base and associated zoning will be used to inform Phase 3 decisions related to dwelling unit quantity, type and location for the 20-year Official Community Plan period.
3. The overall project schedule and expenditure impact of the pause associated with these OCP Review motions and potential additional amendments to the Phase 3 Engagement Plan such as:
i) additional open house sessions with distinct North Saanich neighbourhoods, ii) a revised and more active role of the Advisory Working Group, iii) improved community awareness using existing or new methods., iv) an emphasis on community engagement in face-to-face meetings.

That Council direct staff to schedule a facilitated workshop with Council and the Project Team in advance of Council receiving the amended Phase 2 Engagement Summary and Emerging Concepts report, and the supplementary staff report. The objective is to allow additional review and discussion related to:

1. The Big Concepts introduced on May 19, 2021 and how these concepts might be revised or eliminated as the process moves forward.
2. Phase 3 Engagement and the how any suggested modifications will impact the project schedule and expenditure.
3. Preliminary Vision and Goals and how to approach the review of these important and foundational Official Community Plan items.
