FILM PRODUCTION POLICY AND PROCEDURE DOCUMENT

OBJECTIVE:

The objective is to establish policies and procedures regarding requests by film production companies who wish to undertake filming projects in and around the District of North Saanich. The specific objectives of this policy are to:

- (a) protect the citizens' rights to the quiet use and enjoyment of both public and privately owned lands;
- (b) recover all direct costs and expenses incurred by the Municipality in pursuing these objectives;
- (c) establish costs for the use of Municipal properties and facilities and for the provision of Municipal services.

POLICY:

As the nature of the film industry and the subsequent requests received by the Film Industry Coordinator require that prompt responses to the various requests be provided, Council has delegated authority to the Engineer as follows:

- (a) review the objectives and requirements of the filming request;
- (b) assess the impact on the community to ensure that the Municipality and the public interests are protected;
- (c) establish terms and conditions under which approvals are granted;
- (d) to issue approvals or denials of the requests;
- (e) establish and administer a cost recovery procedure which will facilitate reimbursement of the Municipality's direct costs in providing facilities, labour and materials;
- (f) review applications for compliance with Municipal By-laws and, where applicable, facilitate exemptions to be granted

POLICY AND PROCEDURE

PROCEDURE:

- (1) The Film Company representative fills out the Application with the appropriate information and submits it to the Engineer.
- (2) The Film Company representative provides insurance confirmation indicating an additional clause indemnifying the District of North Saanich with a minimum of \$5,000,000 public liability.
- (3) The Film Company provides the estimated costs for services up front, as determined by the Engineer as established in the Municipal Fee Schedule;
- (4) The Film Company must notify the neighbourhood of their upcoming activities by one of two methods as follows:
 - (i) For minimum disruption to a neighbourhood, a paper notification (flyer or information leaflet), including date, time duration, area, temporary traffic or parking regulations, delivered to each homeowner is sufficient;
 - (ii) For an intensive or lengthy disruption to a neighbourhood and/or business area, a signed survey to determine any concerns in the area is required, which must encompass a radius of not less than 200 metres from the location being used for filming. Large or disruptive productions may require advertisements in newspapers and other local media as well.
- (5) If applicable, a Special Effects Permit Application will be provided by the Engineer and processed throughout the District of North Saanich Fire Department.
- (6) For Municipal Parks and/or Recreation Facilities rentals, the Film Company must, as part of the application, provide written details.

FILM PERMIT GENERAL CONDITIONS

The District of North Saanich
1620 Mills Road, North Saanich, BC V8L 5S9
(250) 656-0781 Fax (250) 656-0782 E-mail: admin@northsaanich.ca

FILM PERMIT GENERAL CONDITIONS

The following general conditions apply to all Film Permit Applications:

1. The District of North Saanich requires that anyone planning a film production on Municipal property, including streets, sidewalks and other public space, have a permit. Filming locations must not compromise the safety of participants or the public and must be approved in advance by the Municipality.
2. The District of North Saanich requires that the applicant for all filming permits shall provide proof of a valid public liability insurance of at least \$5,000,000 against claims for personal injury, death or property damage occurring upon, in or about the site. The Policy will include the District of North Saanich as an additional named insured and contain a cross liability clause.
3. The applicant must comply with all existing Municipal By-laws. Any exemptions must be applied for in writing and approved by District of North Saanich Council.
4. The District of North Saanich requires that all Municipal costs be recovered. All costs as stated in the Municipal Fee Schedule are the responsibility of the applicant and must be paid up front (see Fee Schedule for specific costs, deposits and bonds).
5. Where applicable, the applicant must obtain an Electrical Permit from the Province of British Columbia, Electrical Safety Branch and must be available on site for inspection.
6. The District of North Saanich requires that the Film Company notify neighbourhoods/areas of their upcoming activities by one of two methods as follows:
 - (i) For minimum disruption to a neighbourhood, a paper notification (flyer or information leaflet), including date, time, duration, area, temporary traffic or parking regulations, delivered to each homeowner is sufficient.
 - (ii) For an intensive or lengthy disruption to a neighbourhood and/or business area, a signed survey to determine any concerns in the area is required, which must encompass a radius of not less than 200 metres from the location being used for filming. Large or disruptive productions may require advertisements in newspapers and other local media as well.
7. No road in the District of North Saanich may be closed without prior written permission from the Municipal Engineer. All road closures require prior notification to Police, Fire and Ambulance Services.
8. The District of North Saanich reserves the right to revoke a Permit or shut down a shoot in case of emergency. The applicant is responsible for maintaining the site/route in a clean condition and for any clean-up following, and is liable for any damage caused to Municipal property as a result of the Film Company's use of the facilities. Any damaged or missing equipment/chattel of the Municipality will be replaced/reimbursed by the applicant.
9. The applicant hereby indemnifies and agrees to indemnify and save harmless the Municipality in respect of any and all claims, demands, suits and costs arising out of any act or omission of the applicant or of any servant, agent or officer of the applicant arising out of or resulting from the use of the site/route by the applicant.
10. Where applicable, the applicant must obtain a Special Effects Permit from the District of North Saanich Fire Department and must be available on-site for inspection.
11. The applicant will give credit to the District of North Saanich in the production.

FILM INDUSTRY CALLOUT PROCEDURE GUIDELINES FOR ATTENDING POLICE MEMBERS

OVERVIEW:

The District Of North Saanich requires Film Companies to have Police present during filming of various situations, which are described in this package. Film Companies are required to pay up front for Police services as established by the Detachment Commander (See Municipal Fee Schedule).

Police are to ensure all Municipal Film Permit General Conditions are complied with and that this takes place in a manner that is safe with as little disruption as possible to the area. Police members are encouraged to solicit input from the Film Company staff and to assist the filming process in any reasonable way. Police members are not employees of the movie industry.

TRAFFIC SIGNING

- (1) The Council, Municipal Engineer or Detachment Commander may place or order traffic control devices to be placed or installed as required within the Municipality.
- (2) The Detachment Commander or the Municipal Engineer may order the placement of signs prohibiting parking or stopping and indicating parking or detours for temporary periods, not exceeding thirty (30) days at any one time.
 - (a) Upon either or both sides of any street or portion of street along the route of a parade or procession or in the vicinity of a large public gathering;
 - (b) In any other location where under special circumstances it is deemed in the public interest to do so.

TEMPORARILY CLOSING OFF STREETS

Police Officers may at any time regulate and direct both vehicular and pedestrian traffic upon all streets and sidewalks and may at any time block off temporarily any street or parts thereof. A direction of the Police Officer regulating traffic may be made by motion of the hand or by word of mouth or any mechanical device.

HOURS OF FILMING

Hours of filming are established under existing by-laws. Filming hours may be extended with Council approval obtained in advance of the filming. Any complaints of excessive noise during late night filming must be reported to the Detachment Commander. If hours of filming have been extended to accommodate the film production and noise complaints persist, the Film Company should be ordered to cease whatever activity is causing the complaint. If the noise is essential to filming, then filming should cease. Any failure to comply could result in charges under the Noise By-law.

POLICE CALL-OUT PROCEDURE

TRAFFIC CONTROL FOR ROAD CLOSURES & LOCKUPS

Only Police or other designates (see **PRODUCTION ASSISTANTS** below) have authority to undertake traffic control duties. Police must be on location for:

- Road closures (*temporary or long term*);
- Temporary lockups;
- Any filming that will affect/interfere with traffic flow (*tow shots, etc.*)

PRODUCTION ASSISTANTS

Production Assistants may control pedestrian traffic on sidewalks. Police may allow Production Assistants to control lane traffic within an area that is currently being closed or locked down to general traffic by Police. They may also assist in quiet residential areas, but this must be pre-approved by the Police.

FIREARMS / GUNFIRE

Any gunfire audible to the public or firearms visible to the public (*whether fired or not*) require Police in attendance. This is due to the potential 9-1-1 calls and their drain on Police manpower. Police members attending these callouts must advise the Communication Centre before and after each scene involving gunfire.

STUNTS AND SPECIAL EFFECTS

The Police Department and the Greater Victoria Film Council must approve all stunts and special effects. Larger stunts will include the Police Department during planning stages. The stunt must be re-planned if the attending Police member believes a stunt requires more Police and/or Production Assistants in order to be completed in a safe manner. **STUNTS MUST NOT INVOLVE REGULAR VEHICULAR OR PEDESTRIAN TRAFFIC and MUST BE COMPLETED IN AN AREA WHERE THE PUBLIC HAS NO ACCESS.**

All fires, explosives and/or special effects must have a Permit to Use Special Effects from the North Saanich Fire Department and should be inspected. This Permit is detailed and specific. Should the attending member have any questions regarding whether a Special Effects Permit is required or has been issued, the Communication Centre should contact Fire Department Dispatch. If in disagreement with Locations personnel whether a fire, explosion and/or special effect is safe, the Fire Department should be consulted.

MUNICIPAL PERMIT FOR FILMING

The Municipality issues permits for filming outlining specifications, including Special Event Parking regulations, dates and times. Should you have any questions and/or concerns regarding a Permit or its specifications, please contact the Engineer at the Municipal Hall.

When on callout, the attending Police member has the discretion, if appropriate, to approve a request to move to an unpermitted location.

POLICE CALL-OUT PROCEDURE

MOVE-INS / SET-UPS

Police provide, at no cost, on-duty members for move-ins/set-ups. These requests are made through the Office of the Detachment Commander (days) or the Watch Commander (nights, weekends). This duty should not exceed approximately 15 minutes. Any abuse of this service should be reported to the Office of the Detachment Commander.

AUTHORITY ON SET

Police will liaise with the Location Manager while on set. Any regulation of traffic on any Municipal Street is under the authority of the Police member on set. A Permit to film is not an open invitation to take over any area within the Municipality.

If filming is not taking place in a safe manner, or the disruption to the surrounding neighbourhood is unacceptable, the Film Company will be informed, through Locations personnel, to stop filming. The attending Police member and the Film Company will seek a reasonable solution. If this cannot be done, filming will not continue. Attempts must be made to contact the Duty Watch Commander before any Film Company is shut down.

ON SET CATERING

No provisions have been made to provide police members with on-set meals or breaks. It is at the member's discretion whether to accept an invitation to dine with the crew, however, that offer would also be at the Film Company's discretion.

CONCLUSION OF CALLOUT

The end time on any callout is approximate. If Police feel that leaving the movie set at the end time stated is inappropriate (*i.e. all equipment or crew not off streets, filming may continue after the Police leave*) the Location manager will be informed. If they do not agree to extend the callout time, the member should inform Location personnel that Police will remain on set until appropriate. This should be noted in a Callout Report and the Office of the Detachment Commander will invoice accordingly.

ENFORCEMENT

General traffic enforcement (*i.e. radar, seatbelt road-blocks*) will not take place on a movie set. Police are on set to control traffic and/or minimize the film impact on the neighbourhood.

Enforcement regarding Film Companies or their personnel is at the member's discretion.

Members may contact the Watch Commander where immediate concerns include:

- ♦ Production is not complying with the terms of Municipal Permits (*Film and/or Special Effects*)
- ♦ Production is not complying with Police on-site requests;
- ♦ Production is using civilians to control Municipal streets;
- ♦ A member is considering a request to stop filming or production.

Any non-immediate type concerns will be forwarded in writing to the Office of the Detachment Commander.

A GENERAL REPORT IS MANDATORY FOR EACH CALLOUT ATTENDED
