

RYAN LAY

I was born and raised in Victoria, but moved away for university in 1996. I returned to the Peninsula in 2016 with my family and have loved every minute of living here. The rural nature of the community and being next to the ocean are two of my favourite things about North Saanich.

I am very interested in community and how communities organize themselves and solve problems at the local level and am excited about the opportunity to contribute in this way. I am a lawyer by training and have experience working in other

levels of government, and private practice. I am excited for the future of our community and look forward to this opportunity to serve.
